---

CIS is changing with effect from 6 April 2007 and Registration Cards, Tax Certificates and Vouchers will no longer be used.

**You will not need to re-register** as we will automatically transfer the company's current CIS record across to the new system.

Each new contractor for whom you work after 5 April 2007 must contact us to confirm the company's details and to find out whether you are to be paid gross or under deduction before making any payments to you.

We have detailed below the essential information that the contractor will need from you to be able to do this.

---

**Please keep this information safe.**

If you do not give these details accurately to any new contractor you work for this could mean contractors deduct 30% from your payments instead of either deducting the standard rate of 20% or making no deductions at all.
